## Note to Primary School Teachers

Kerry Library has developed a Classroom Novels Collection as part of its Schools Programme. The Collection has now been extended to over 100 titles. This catalogue lists the collection alphabetically by author and each title is described and coded using 11 subject icons (see icons below). This allows teachers to select titles based on subject matter as well as age appropriate material for their pupils. Teachers are encouraged to browse the catalogue and try to select titles outside the traditional popular titles.

In order to provide a reliable and prompt service to schools, it is important teachers borrow and return the titles promptly. Please contact your local library for assistance with any query.

Teachers are encouraged to meet with their local librarian when planning out their selection of titles for the school year. An automated request will be put on each copy and teachers will receive a text when books are ready to collect. All enquiries are to be directed to your local library and will be dealt with promptly. See inside front cover for the contact details for each library service point.

Thanks to all teachers and schools for the support they give to Kerry Library. The library aims to work with all primary schools in Kerry and endeavours to continue to develop the service in order to meet the literacy needs of all children and young people in Kerry.

### How to use the collection:

- ⇒ Register for a Block Loan account - this is separate from a teacher's personal library membership and is linked to a school.
- ⇒ 30 items may be borrowed for a maximum 60 days
- ⇒ There are no charges for Block Loans.
